

## July 2008

- **July 26, 2008**

See below the email sent regarding the National Tour Route and Update Info 2008 for the "On the Road to Remember" Missing Persons Tour 2008 sponsored by CEU Center for Missing Persons

Hello,

Attached you will find a complete tour route and we tried to work out the times and dates as best we could; also attached is the current list with additional information on the tour and a brief write up with tour quick facts. The logo was released earlier today and soon each stop will be sent a press release to use for contacting the media prior and during the tour. You can add your own flyer or additional info if needed. Thank you for all your support and we will be seeing many soon.

FYI

During each stop we will have on hand;

- \* CD featuring all those included in the tour
- \* Bumper Stickers - with the logo
- \* T Shirts - with the logo
- \* Press Booklets featuring all those included in the tour
- \* Additional information

We will also have a large banner to display with the logo at each stop, so think about when we arrive where it can be hung; we will take it when we depart.

Monica Caison
