- **March 1**

Tonight, Pam's story will be aired on America's Most Wanted at 8:00 pm central time.

- **March 2**

Paula, Don and Randy are back in Panama City. After speaking with psychic Gail St. John, the feeling is that Pam is still in Panama City. Gail had mentioned to the family places to look, so they loaded up today and headed down. They aren't sure for how long, but a few days anyway, maybe longer.

Don, Paula and Randy have been out checking shelters and handing out flyers. They have spoken to people about Pam, trying to keep her search going. They have spoken to Invest. Pitts and working with him, although he has no new leads. They have spoken to the media to keep Pam's story active!

It's been an encouraging day. Patty spoke to equusearch and they gave us a new direction they feel like we should take. It's HUGE but we will have to do it state by state, county by county. They feel that every shelter, medical facility, soup kitchen, medical examiners office should be contacted and made aware of Pam. Paula also had a phone call from Sunni Tillman, who helped Beth Holloway write her book. She was going to contact her contacts at Greta and Nancy Grace. She is supposed to be e-mailing Paula some additional contacts with national media. Don and Paula had an interview with Fox 6 tonight and Dave Bondy, the reporter that came out, was going to speak to America's Most Wanted to see if they could do something additional about Pam. Jake's deployment has been postponed for a few more days. He is not leaving on the 9th....but probably by the 15th. And the Boston butt fundraiser sale is going great!!! A friend, Angela, is going to head up a yard sale fundraiser for us also. We are looking at the first weekend in April for this.
