You are invited to join us for Pam's Birthday on Sunday, October 12th at Sylvan Springs Park. We are planning on inflating and releasing 253 latex balloons in honor of Pam's 53rd birthday. Each balloon will have a mini flyer attached in hopes that it will help us to further get Pam's information out and it also gives us a way to celebrate Pam's day. We are planning on getting started at 10:00am. We are having hotdogs for lunch, so bring a chair and join us if you can. (we WILL put you to work!) Everyone is invited.

Today marked Pam's 53rd birthday and we celebrated her day by releasing balloons. We were also able to use the balloon release as a way to spread the message of Pam's disappearance. Attached to each balloon was a card with Pam's picture and information. Friends and family gathered and released approximately 250 balloons. If anyone finds a balloon, we ask that they fill out the form on the "Contact" page and let us know that a balloon was found and where it was found. A balloon release for Pam also took place in Panama City, FL- click the link below for more information:

Message from Paula:

It is with a grateful heart that I want to extend my thanks to all of you that continue to keep Pam's family in your thoughts and prayers. I wanted to let you know that Pam's son, Marine Cpl Jacob Biggers is scheduled to arrive at New River Air Station on Wednesday, October 29th, where he will be stationed in Jacksonville, NC. We are so excited to have him back from Afghanistan safely. I never imagined we would come to this milestone without Pam being home safely also. Please remember Jake in your prayers...he has much to deal with upon returning home without his mother. Thank you all again very much.

Paula
